## LISA ELLIOTT 2018 KEYNOTE SPEAKER

Lisa Elliott was born and raised in Toronto, Ontario, Canada. She had an unquenchable longing to know God from a young age and accepted Jesus as her Saviour at camp when she was fifteen years old.

A dynamic and gifted speaker, Lisa's ministry has impacted and touched the lives of men and women across Canada at conferences, retreats and special events. She has appeared on 100 Huntley Street and on Christian radio and is also an award-winning author of, *The Ben Ripple and Dancing in the Rain*. She is a regular contributor to *Just Between Us Magazine* and as well has written for *Scripture Union's "the Story"* and *Hot Apple Cider with Cinnamon*. Her love for the Lord is contagious and her passion to share the life-changing truths and principles of God's Word is inspiring. Lisa's transparency, authenticity and often humorous approach will inspire you to live the abundant life to the fullest!

This year's topic is, ***Haggard but Hopeful***.

Wilderness: uninhabited, lonely, dark, barren, solitary, dry, deserted, desolate, wasteland. Sound familiar? Wilderness experiences in our lives can be described much the same.

Gear up for an extraordinary wilderness expedition with Hagar, found in Genesis 12, to discover the invaluable gems waiting to be discovered in the hot desert sand.
